Self-Hygiene day

Dear parents,

We are pleased to announce our "Self Hygiene day". This event will be held on Saturday, October 21, 2023. The event helps to spread awareness of the daily habits that increase and maintain health and prevent sickness.

The event will take place in the second session in addition to the breakfast time. Students will meet with doctors who will instruct on self-hygiene and be available to answer any questions.

Students will receive some paper work to enhance, build and improve a healthy daily routine.

Thanks for your cooperation,

Principal of Lower Primary

Mineé Zakhary
