Dear Third Secondary Students,

I would like to welcome all our dear students back to school. Hope you are ready to have a new beginning, full of enthusiasm and determination.

We understand that this could be the most challenging year of your lives, and we understand your fears and the threats facing you. Accordingly, we are certainly keen to support you by all means: by our experienced professionals, who exert extreme efforts to help you reach your final exams fully confident; staff members, who, as much as we can, will guarantee that you are following up and having no problems; and admins who will communicate with your parents for more follow up and progress.

We receive **phone calls** (on school landlines); **WhatsApp messages** on (01285178338) during our working hours, and **emails** (julivictor.secondary@nrcschools.com) any time, and we also communicate through **google classroom's** portals all the time. Kindly, **accept** your google classroom invitations as soon as received, and **allow** notifications to be able to follow up. Hope you a fruitful year full of blessings, remembering that NRC admins, teachers and staff's mere and sole aim is to support you, and guarantee your success and achievement.

Wishing you the best of luck.
