Dear First and Second Secondary Parents,

We cannot say it is impossible until we have “*explored all venues.*” As we believe in the importance of maintaining a common channel of communication between our professional teachers and our respectable parents, we would like to have the pleasure of meeting you on **Saturday, the 30th of March, 2024**, from **12:00 - 2:00 pm**, **on the fourth floor.**

We will be calling **some parents** to meet their children’s teachers, and discuss the best approach they need to follow to achieve academically. This will help both teachers and parents identify their children’s needs, and agree upon the best means of aiding them.

“The most essential factor is persistence - the determination never to allow your energy or enthusiasm to be dampened by the discouragement that must inevitably come.” Looking forward to meeting you.

Best regards,

Secondary Stage Supervisor
