Global Perspectives

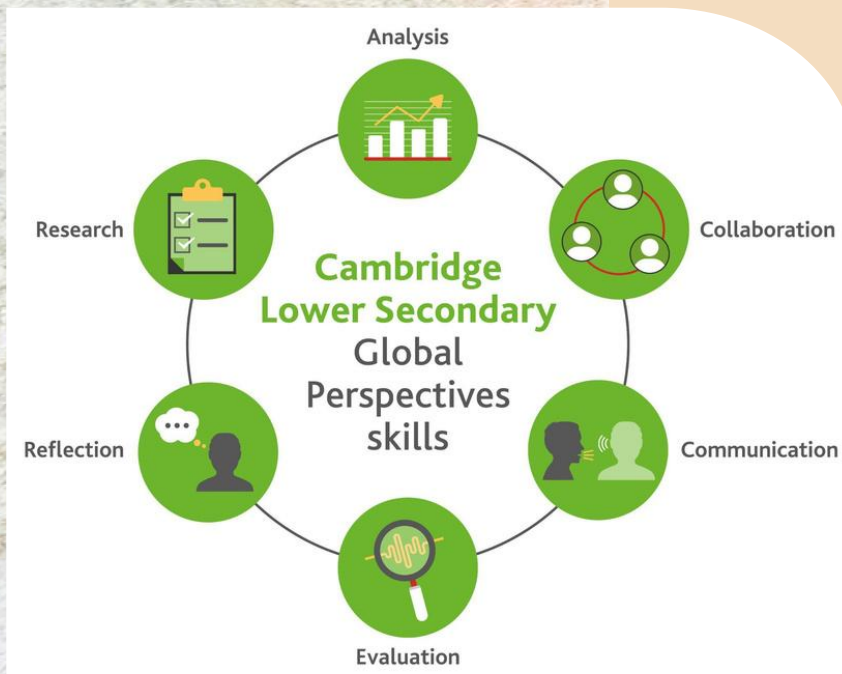

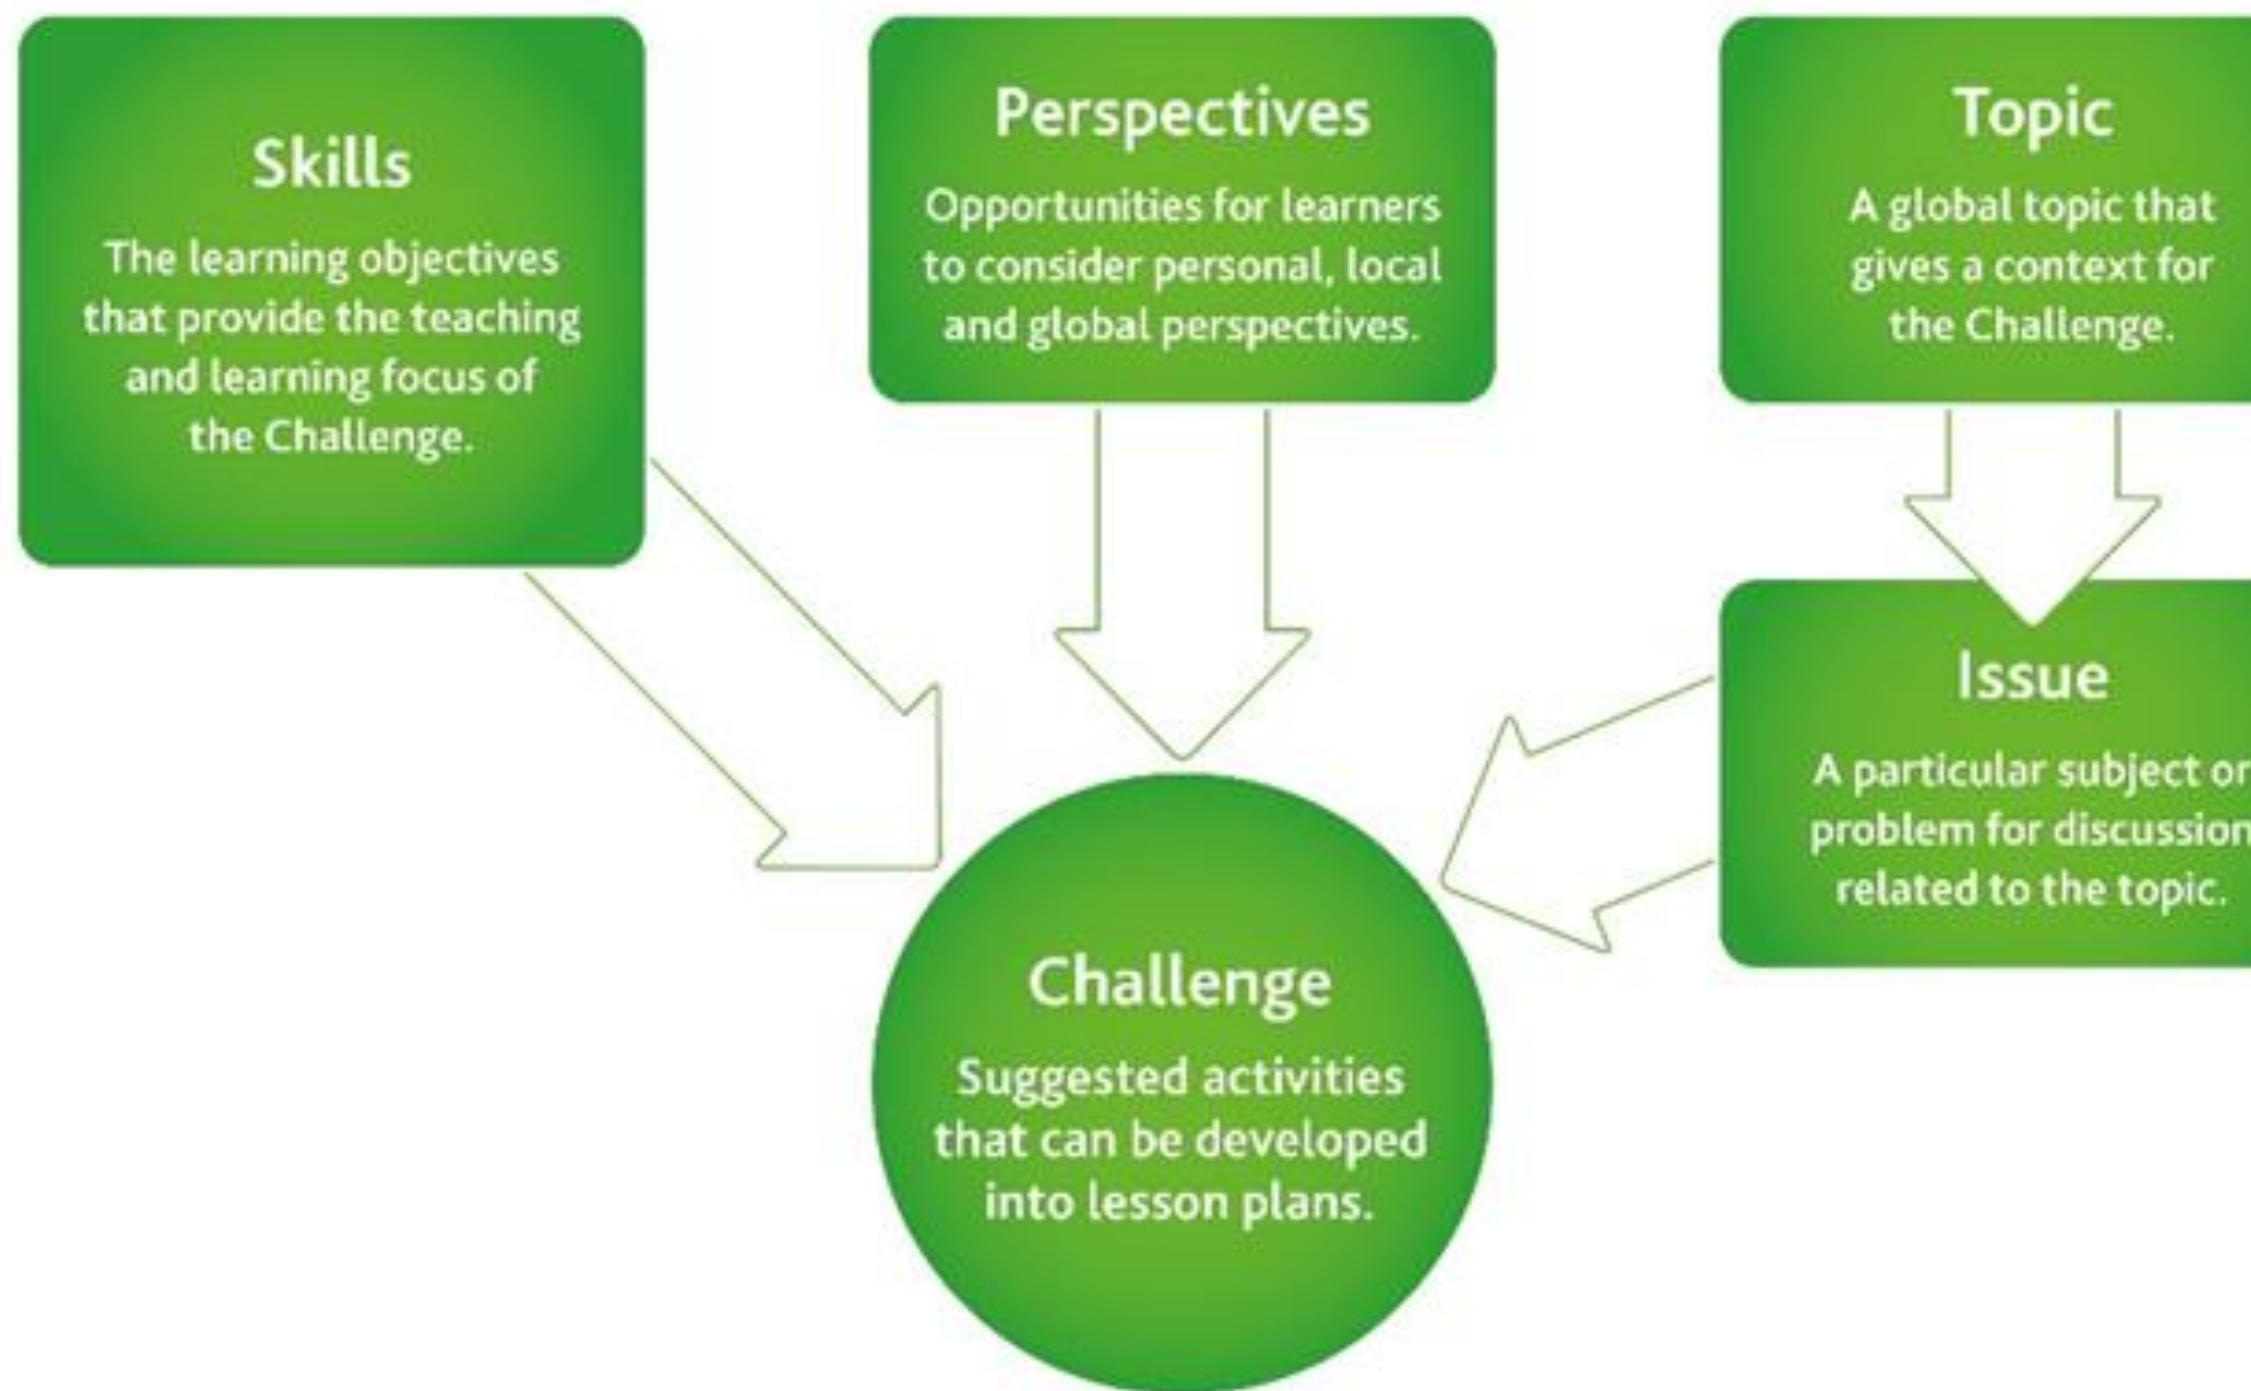

Ms. Rosaline Gad

What will students learn?

The program develops the skills of research, analysis, evaluation, reflection, collaboration and communication. It strengthens the links across English as a first or second language, mathematics, science and ICT Starters.

Year 7 Challenges (Topics):

- 
- 
- 1– Global Brands
 - 2– Why work?
 - 3– How do different cultures and communities celebrate?
 - 4– Why do people leave their home country?
 - 5– Is school the best place to learn?

Assessments: Bronze – Silver – Gold

- 1– Individual assignments
(video/powerpoint/research paper..etc.)
- 2– Group projects
- 3– Behavior

Thank You
