## **Admission for Years 7 and 9 for the Academic Year 2025/2026**

Dear Parents,

New Ramses College - International Section is now accepting applications for admission to Years 7 and 9 for the academic year 2025/2026.

We are pleased to announce that we are expanding this year and we will be opening **two** new classes instead of one in Year 7 while for Year 9 we will still be accepting just one new class. As a result, starting the academic year 2027/2028 the availability for admissions will be only for Year 7 and we will not be accepting any new classes in Year 9. Consequently, for Year 6 students (national or international system), your chances for joining our international department will either be this year in Year 7, or later in Year 10.

Candidates will sit for English and Mathematics exams which are usually held on the last Thursday of the mid-year vacation (The exact date will still be confirmed.).

Selection of the new entrants to the Pre-IGCSE department will be based on the highest results.
