Dear Valued Parents,

Warm greetings.

I hope you are enjoying a relaxing summer vacation and are getting ready for the new academic year.

In light of the growing challenges and evolving requirements of education, and as part of New Ramses College's commitment to continuously developing its educational system, the Primary Stage has been restructured into three divisions. This structure will allow for greater focus and specialization in academic and pastoral follow-up, discipline, adherence to school regulations, and close attention to students' behavior and overall well-being.

The Primary Stage will be organized as follows:

- * Lower Primary: Grades 1 and 2, headed by Ms. Minnie Zakhary, Principal of Lower Primary.
- * Middle Primary: Grades 3 and 4, headed by Ms. Marian Naguib, who has been a valued member of our school since 2011 as an English teacher and also assists with English supervision.
- * Upper Primary: Grades 5 and 6, headed by Ms. Amani El-Masry, Deputy Principal for Upper Primary, and Deputy English Coordinator of the Language Section.

This restructuring is part of our ongoing commitment to providing a supportive, well-organized, and disciplined educational environment that meets the needs of our students at every stage.
