

Dear Parents,

We extend our warmest greetings to you.

New Ramses College is pleased to invite you to our annual art exhibition, which will take place at the school.

Date: Saturday, March 15, 2025

Time: 7:00 PM to 9:00 PM

This exhibition showcases the artistic creations of our students throughout the year, featuring drawings and a variety of other artistic works.

Participating stages include KG, Primary, Preparatory, Secondary, and IG.

Additionally, the event will feature a science exhibition in the laboratory located on the fifth floor, a social studies exhibition on the third floor, a Discover exhibition in room 413 on the fourth floor, and a computer projects exhibition in room 402 on the fourth floor.

We encourage your participation in this event, as it serves to express our love and appreciation for our children, motivating them to strive for greater success and progress in their future endeavors.

- The art exhibition will be held on the fourth and fifth floors.
- The fourth floor will display exhibits from KG 1-2, first and second grades, as well as a portion of the third grade (primary language stage).
- The fifth floor will feature the remaining exhibits from the third grade of primary school through to the third grade of middle school, including the secondary stage and the international section.
- Evening activity exhibits for the primary stage will also be showcased on the fifth floor.

Please note that parking spaces are limited at Ramses College for Girls, and entry is available through the gate facing Lotfy El Sayed Street.

We would be honored by your attendance and sincerely appreciate your presence.
