

Cairo: 21 /1 /2025

Dear KG 2 parents;

Continents Campaign

Warm greetings to all of you

One of our common aims is working on our children's culture; we need to increase their knowledge. So as a project and a chance to share some quality time with them, you are required to help your child to make a brochure or a map or a maquette for some countries and continents (flag , location , maps , famous places and traditions ... etc.) to submit to the class teacher on her/his arrival from the mid-term vacation.

The teacher will be talking to them about the continents and the countries chosen.

- There will be a continents' week, where your child will be allowed to come to school wearing the country's costume. We will announce it later.
- Prepare power points , posters , brochures , videos and dances according to the following schedule :

KG2A	Asia " China "
KG2B	Europe" Greece "
KG2C	Africa " Tunisia "
KG2D	North America and South America
