## Greetings...

At NRC, we believe that families are equal partners in attaining educational goals for students as positive connections between parents and teachers help improve the students' academic achievement, social competencies and emotional capabilities.

In order to facilitate this partnership, the school offers various means of communication so that both parents and teachers can work together to support the student's learning and well-being.

You can choose to send us an e-mail at [a.elmassry@nrchools.com](mailto:a.elmassry@nrchools.com) or a WhatsApp message on: 01223944283.

In case you would like to communicate with a specific teacher, kindly use the table hereunder which contains information about the timings when teachers can receive your calls so that their availability is guaranteed.
